DESCRIPTION OF PROPOSED WORKS Water to be developed by means of a 14" deep well equipped with State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water pump and motor. is to be stored in reservoirs, it should be so stated and the location of the reservoir should be given with reference to the legal subdivision 5. Estimated cost of works \$7,000 6. Estimated time required to construct works_ l vear Remarks_ For use of applicant ____, Applicant. s/Ronald Bradshaw By s/ Ronald Bradshaw HS/AM This sheet inspected_ ___, Engineer. APPROVAL OF STATE ENGINEER This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and This permit is issued subject to all existing rights on the source and is limited to what the well will produce but not to exceed 3.5 c.f.s. It is understood that this right must allow for a reasonable lowering of the static water level at permittees well due to other ground water development in the area. A substantial weir or other type of measuring device must be installed and measurements of water use kept, and a method provided, either air line or opening, for measuring depth to water. The State retains the right to regulate the use of the water herein granted at any and all times. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.5 cubic feet per second, or a yearly duty of 5 acre-feet per acre of land irrigated. Actual construction work shall begin on or before December 26, 1957. Proof of commencement of work shall be filed before <u>January 26, 1958</u>. Work must be prosecuted with reasonable diligence and be completed on or before December 26, 1958. Proof of completion of work shall be filed before January 26, 1959 Application of water to beneficial use shall be made on or before___ December 26, 1960 . Proof of the application of water to beneficial use must be filed with State Engineer on or before January 26, 1961 " Free Mar 8, 1957 WITNESS MY HAND AND SEAL this 26th day APR 2 2 1959 BECAUSE OF FAILURE BANCELLED. of June OF APPLICANT TO COMPLY WITH THE PROVISIONS OF PERMIT

STATE PERIONEER

Acting State Engineer.
